

Our 10th Annual CPH Ladies Tea and Luncheon...

was held on Saturday, March 7th. As we now look back at the timing, we see once again how God is in control and worked this out for good because the very next week everything was shut down due to COVID. This is our biggest fund raiser of the year helping to sustain our children with those important nutritious cookies and milk to bring them out of malnourishment.

Our theme this year was "For we walk by faith, not by sight", 2 Corinthians 5:7, which is what God knew we would need to hear due to what is happening in our country. God is faithful! He put this luncheon together from our speaker, Abby Shields, to the delicious marinated flank steak cooked by our own CPH chef, Bro. Clint Stewart. There are so many people God used to make this luncheon the success it was. You know who you are and we thank you for allowing God to showcase your talents for Him! Since this was our tenth annual luncheon, everyone received a cookbook with all ten years of our highlighted luncheon dishes. Plan now to join us next year. It is always the first Saturday in March. Call me if you are interested in being involved in any way. Being a part of this luncheon each year for Cookie Project is a blessing to me. If you want to be blessed, join in God's kingdom work wherever you are.

Nan Goudeau, Activities Coordinator

From Rinda's Desk

It was with sad heart that we were not able to make our May trip, but we do know that when God is ready for us to go back again He will open the doors! Please pray that December will be another story. **BUT GOD** is always working even when we cannot reach them physically. As you know we are still in construction of our training center. Not much has been able to be done since the shutdown but praise the Lord, one of our young men who grew up in Cookie Project is now our groundskeeper and he is diligent to take care of what we already have accomplished. He has constructed a chicken house and yard for us so that when we start the project we will be ready to go! We continue to fund seeds for the gardening projects and pray that God gives them a thriving season for growing. Please pray:

1. For our pastors since we all know that being a shepherd in these difficult days is quite a challenge.
2. For our workers in Christ who continue to serve
3. For our families who need food and supplies but most of all JESUS!

Thank you for all who have been so faithful to pray and support us.

You Are Inspiring Others

I admit that it is easy for me to get caught up in my own little world and only be concerned for myself and my family in spite of knowing that God has called us to do more. God has called us to look beyond ourselves and our own families, beyond our friends and neighbors, even beyond our own state and nation. Cookie Project Honduras would not be possible without your financial support, your time spent volunteering, and your prayers. We all see or hear about how God is using CPH in the lives of the people of Honduras, but how often do we think about how God is using CPH in the lives of people here? Your selfless attitudes and your continuous generosity have been and continue to be an inspiration to me and to others as well. Jason Pylant, Chairman
